Topics include PNND opens for endorsement a **Joint Parliamentary Statement on the Establishment of a Middle East Zone free of Nuclear Weapons and other Weapons of Mass Destruction**.

* 11 October. PNND Co-President Ed Markey leads an effort in the **US Congress to reduce spending on nuclear weapons**. Markey sends a letter, endorsed by 65 other members of congress, to the Super Committee which is considering budget cuts in order to reduce US debt in the wake of the global financial crisis. The letter notes that, with the end of the Cold War, it does not make sense that US spending on nuclear weapons has increased to US\$50 billion annually, and that this level of spending is robbing future generations in order to pay for weapons of the past. The letter calls for a reduction of \$20 billion per year – and a re-investment of these funds in the economy.
