Dear Ms Ware

RE: DRAFT RECOMMENDATIONS TO THE 2010 NPT REVIEW CONFERENCE

I wish to acknowledge receipt of your letter of yesterday's date and to thank you for your kind comments.

The suggestion on the organization of a Nuclear Weapons Convention is most welcome. As I consult with delegations, it is also my hope that the holding of a weapons convention will be adopted as part of our final report of the Third PrepCom to be implemented under the incoming Presidency of the 2010 NPT Review Conference.

Sincerely
